INSURANCE FOR TECHNOLOGY COMPANIES

APPLICATION FORM

INTRODUCTION

The purpose of this application form is for us to find out who you are and to obtain information relevant to the cover provided by the TECH policy. Completion of this application form does not oblige either party to enter into a contract of insurance.

Insurance is a contract of utmost good faith. This means that the information you provide in this application form must be complete, accurate and not misleading. It also means that you must tell us about all facts and matters which may be relevant to our consideration of your application for insurance. Any failure by you in this regard may entitle us to treat this insurance as if it never existed. If a contract of insurance is agreed between you and us this application form will form the basis of the contract.

Important: Insuring Clauses I and 2 of this policy provides insurance on a claims made basis. A claim must be first made against the Insured and notified to us during the period of the policy to be covered. These Insuring Clauses do not cover any claim arising out of any actual or alleged wrongful act occurring before the Retroactive Date.

HOW TO COMPLETE THIS FORM

Whoever fills out the form must be a principal, partner or director of the applicant firm and should make all the necessary enquiries of their fellow partners, directors and employees to enable all the questions to be answered.

If you require any extra space to complete the answers to questions contained within this application form please continue your response in the Additional Information section at the back of the form. Once you have completed the form please return directly to your insurance broker.

Please state the name and address of the principal Company for whom this insurance is required. Cover is also provided
