180.93

*Actual payment amount is determined by your final premium and method of payment

Milnco is pleased to announce an update to the way our commercial clients pay for their policies. **Fast, secure, cost effective and efficient**, the way making payments should be.

Updates to BizPay:

- No minimum premium
- Option to pay in 3 or 12 equal installments

Features that are staying the same:

- Competitive finance fee of 4%
- Ability to finance premiums, fees and sales tax
- No requirement for the broker to collect a down payment
- E-signatures on desktop or mobile device add speed and efficiency to the process
- Plan is continuous so no need for the Insured to re-sign at renewal
- Credit card fee of 2.25%

If you have any questions about your client's policy being transitioned to Imperial PFS Canada, call us!
